

Notification Date: February 14, 2025

Change Notification #: EL250214

Change Title: End of Life Notification for GCC-2

Product Affected: GCC-2: GEMexpress™ II

Change Description: The GCC-2 will no longer be available after November 7th, 2025 due to the EOL of key components.

Recommended Action: Customers affected by this EOL notice are advised to place last time buy (LTB) orders as follows:

 Last date for bookings (LTB): May 9th, 2025

 Last date for shipments (LTS): November 7th, 2025

Amulet recommends that customers purchase a minimum of 2 years of buffer stock of the GCC-2.

Recommended Replacement: A new version of the GCC-2 is currently in development. The new version will have more on-board memory and a considerable performance boost, but will maintain software backwards compatibility and functionality with the GCC-2. The form factor and pinout, however, will change. The new version is expected to be released in late 2026.

Contact Information: Please contact Amulet Technologies at sales@amulettechnologies.com or call 408-374-4956 x1001.

Product technical support will be provided for any units purchased for up to 1 year past the purchase date.

Product warranty remains at 1 year past the purchase date.
